Rear Admiral Joseph L. Howard, USN
Deputy Director for Contract Administration Services
Defense Supply Agency, Cameron Station
Alexandria, Virginia

Dear Admiral Howard:

The principal security officers of this Directorate maintain liaison with Colonel Benjamin Marshall and Mr. Thomas J. O'Brien of your Office of Industrial Security and this liaison has resulted in a fine understanding of matters of mutual security interest.

In October 1967 I had an opportunity to meet with your predecessor, Major General John A. Goshorn, and brief him on some activities of this Directorate. I would now like an opportunity to meet with Colonel Marshall, Mr. O'Brien, and yourself, and I propose that we have a luncheon here at our Headquarters in McLean at 1200 hours on 5 September. Following the luncheon, I would appreciate it if you could attend a formal briefing on one of our projects. It is anticipated that this formal briefing will end at 1430 hours.

X1 [] of my staff will contact Colonel Marshall to make the necessary arrangements for your visit. I look forward to meeting with you on the 5th.

Sincerely,

Carl E. Buckett
Deputy Director

Science and Technology
